

The background is a dark blue gradient with a subtle pattern of white dots. On the left side, there are several overlapping circular elements. A prominent one is a large circle with a scale around its perimeter, marked with numbers from 140 to 260 in increments of 10. Other circles are partially visible, some with dashed lines and arrows, suggesting a process or cycle. The overall aesthetic is technical and modern.

PROJECTS, SUPPORT & FOREIGN INFLUENCE

RESEARCH ADMINISTRATOR FORUM

8/21/19

THE CONCERNS

- Diversion of intellectual property (IP) in grant applications
- Sharing of confidential information during peer review
- Failure of US investigators to disclose resource from other organizations outside the US
 - Other/Current & Pending Support
 - Significant Financial Interests
 - Factors into decisions about funding/support from federal agency

HUAWEI / ZTE

- Reminder: UA will not accept new awards, gifts, affiliate membership dues, renewals, or other support from Huawei, ZTE, or their subsidiaries. (issues with wire fraud, IP theft, sanction violations)
- National Defense Authorization Act (NDAA) prohibits govt agencies from purchasing telecommunication/surveillance equipment from these companies.

NIH

- Reiterates NIH Grants Policy Statement on foreign components
- Report all research support and financial interests, including from sources outside the US

NSF

- July 11 “Dear Colleague” letter: reminder of current & pending support requirements
- Proposed PAPPG changes:
 - Electronic biosketch & current & pending support formats
 - January 2020
 - “Clarifications”, not policy changes

DEPT OF DEFENSE

- All new DOD notices of funding opportunities will require:
 - List of current projects key personnel are working on, and pending future support
 - Captured in Sr/Key Person profile form

DEPT OF ENERGY

- Grant, Fellowship, center recipients are prohibited from using DOE funds in areas identified by their science & technology risk matrix (tba)
- Recipients of financial assistance are prohibited from participating in foreign talent recruitment programs

Project FOCUS

Monthly Research Administration Forum
Wednesday, August 21st 2019

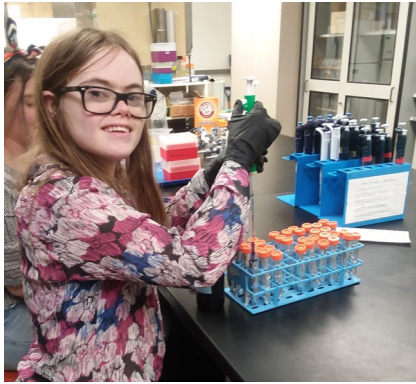

Who Are We?

- ❖ transition program between high school and adult life
- ❖ individuals with intellectual and/or developmental disabilities
 - ❖ two-year program
 - ❖ students between the ages of 18 and 22

Students take U of A classes, work at internships and participate in social activities across campus

How do Internships Work?

- ❖ three to fifteen hours per week (depends on student stamina and site needs)
 - ❖ typically non-paid (especially in the beginning)
- ❖ students provided on-site support with JOB COACHES (same-age peer mentors)
