CITI - Learner Registration - University of Arizona

Steps: 1 2 3 4 **5** 6 7

* indicates a required field.

*** Are you interested in the option of receiving Continuing Education Unit (CEU) credit for completed CITI Program courses?**

CITI is pleased to offer CE credits and units for purchase to learners qualifying for CE eligibility while concurrently meeting their institutions training requirements.

CE credits/units for physicians, psychologists, nurses, social workers and other professions allowed to use AMA PRA Category 1 credits for certification are available for many CITI courses – with that availability indicated on course and module listings. **Please register your interest for CE credits below** by checking the "YES" or "NO" dots, and, when applicable, types of credits you wish to earn at bottom of page. Please read texts entered for each option carefully.

Yes

At the start of your course, you will be prompted to click on a "CE Information" page link located at the top of your grade book and to VIEW and ACKNOWLEDGE accreditation and credit designation statements, learning objectives, faculty disclosures, types, number and costs of credits available for your course.

Yes

No

The CE functionality will not be activated for your course. Credits and units will therefore not be available to you for purchase after you start your course. You can change your preference to "YES" before such time however by clicking on the "CE Credit Status" tab located at the top of your grad book page.

No

If you picked "YES", please check below the one type of credit you would like to earn

- MDs, DOs, PAs - AMA PRA Category 1 Credits TM
- Psychologists – APA Credits
- Nurses – ANCC CNF

Course Enrollment

Choose the courses that apply to your research

Medical related study- choose "Biomedical Research Basic course."

Social & Behavioral study- choose "Social & Behavioral Research Basic course."

All UA researchers must complete the "Native American Course"

Please note: At least two options should be marked

*
Human Subjects Course Enrollment
Please choose the applicable human subjects course(s) based on the type of human research activities you plan to conduct.

Choose all that apply

Biomedical Research BASIC course – This course is for Investigators and staff who have not taken any University of Arizona human subjects training.

Social & Behavioral Research BASIC course – This course is for Investigators and staff who have not taken any University of Arizona human subjects training.

SPANISH BASIC Course – This course is primarily for ancillary research staff or community members whose primary language is Spanish and need basic training in human subjects protections.

Students in Research (Spanish) module
(Modulo para estudiantes que investigan y estudiantes que son sujetos de investigación)

Undergraduate Level BASIC Course – This course is only for undergraduate-level community researchers or students

IRB Member Course – This course is specifically for IRB Members

VA Research Course – This course is for Investigators and staff who conduct research at the Southern Arizona Veteran Affairs Health Care System (SAVAHCS). This course is in addition to the requirement to complete a University of Arizona BASIC or REFRESHER course.

Native American Course – This course is required for all University of Arizona researchers. If you have not taken the Native American course as part of a BASIC or REFRESHER course please add this course to your learner group. To determine if you have already taken the Native American course, click on 'See a list of all modules that you have completed' from the main menu.

REFRESHER course. This course is for Investigators and staff who have already completed a University of Arizona Basic Course and need to take a refresher course.
